RE: Temporary Importation of two 2020 Mazda-3 Vehicles for Testing in the United States

Dear Sir or Madam,

FEV North America, Inc. is an engineering supplier and internationally recognized leader in the design and development of internal combustion engines, transmissions, and driveline systems. FEV requests permission to import two Mazda 3 vehicles into the United States for testing purposes. The vehicle was manufactured in Europe and is certified for sale in Europe.

The 2020 Mazda-3 vehicles are equipped with a 4-cylinder Gasoline engine (1x with automatic and 1x with manual transmission).
